# East Valley Sol's Adopt-A-Family Update!!!

Black Friday didn't see us coming, and a little extra shopping as a group proved to be as rewarding for us as for the families helped!

Thanks to your continued support, we set aside \$2000 to help four local families during these tough economic times.

We delivered winter necessities and a little something special to each of the sixteen children that we

added to our East Valley Sol Family this Season!

Your donations and support are the reason this was possible... AND, we are confident that Santa was watching and taking notes!

We hope you were rewarded with BIG PRESENTS, and of course, health and happiness!

From our East Valley Sol Family to yours...

Happy New Year!

*Just one of the reasons  
your party with us...*

## Highland Hawks... Donation DENIED!!!

As a teenager, how many Saturday mornings... ok, afternoons... did you spend lounging in bed?

The morning of our big event, Fiesta Del Sol, the Highland Hawks Football players forfeited their lazy mornings and came out with selfless attitudes, willing hands and open hearts, to help us set up for our evenings activities!

Now... they might have been suckered into coming by their coaches... but their work ethic would have made their mother's proud... and we were lucky to have such great young men volunteering!

We were so grateful for their time, and we attempted to make a donation to the program that was

helping to mold these men... but, as yet another exclamation mark to my point, they asked that we use the donation to buy more backpacks for kids in need!!!

Thank you to the players for your work, and the coaches and parents for yours... they "did you proud!"

### *We need a tagline...*

*Here at East Valley Sol we pride ourselves on throwing GREAT EVENTS for a GREAT CAUSE... we've been called many names, but one of the nice ones was, "Professional Partiers!" The bottom line... we are a non-profit organization dedicated to helping our local youth... but we mostly raise funds by throwing big parties! SO... help us to come up with a tagline! If yours is chosen, you will receive TWO tickets to Fiesta Del Sol VI!*

*SO... Help us out!...*
